**Remembrance Sunday**

10 November at 10am St Michael's Church  
We would like as many children and families as possible to join us to remember those who died in the wars. We always remember those from the village at the Village Cenotaph at 11am. Last year nearly 40 attended this service and joined in with the other groups from the village. We will be singing 'Let there be peace on earth'. Please can children wear school uniform.

**Flu Immunisation – 28 November**

Please ensure that you have completed the consent form online (information on the school website) – it needs to be completed whether you consent to your child being immunised, or not.

**Parental Consultations**

It was great to see such a high take up for these meetings. Targets should have been discussed and shared. Learning is a partnership and it is always good to see children become more responsible for developing their learning.

**Winter School Uniform Reminder**

After half term, children need to be wearing smart winter uniform. This means proper school shirts and ties at all times. School shoes and not trainers are needed. Green tights, skirts or pinafore dresses please, not grey. We encourage children to take a pride in their appearance.

**Poppies**

We have poppies and other items for sale in the office.

- Zip pulls and reflectors 50p
- Silicon wristband £1.00
- Snap bands £1.50

### **Grass Track Cycling**

On Wednesday 16 October, SRG competed in a cycling event. With a wet track, the odds were against them but the Year 5's and 6's put in a massive team effort, with both beating their first lap times (and creating new personal bests). David B said "It was very hard, but we managed to go super fast!". Eddie T "It was very fun and I really enjoyed the races. We had to take it in turns to lead and then drop back, overall completing a huge 6 laps".

### **Just One Tree ([www.justonetree.life](http://www.justonetree.life))**

On Friday 22 November, we're joining a nationwide National Tree Planting week. If you are able to send your children in to school with £1 on that day, every £1 will plant a tree.

The money is pooled together and sent to reforestation projects in Madagascar, Haiti, Indonesia, Mozambique, Nepal and Kenya, where the deforestation has been devastation. In the process, local villagers are trained, educated and therefore provided with sustainable incomes, alleviating extreme poverty within the impacted communities.

### **Thank you to Morley**

Morley spent his non-pupil day at school sharing his vast knowledge of his amazing creatures. He brought in snakes, spiders and lizards and the children learned so much. Morley's patience was superb as he repeated his talk and answered so many questions. It is always great to welcome back our past pupils and this time our pupils were able to extend their learning through his wide knowledge and enthusiasm. Thank you also to Mrs Martin who helped this happen.
