Thanksgiving Service

Debbie, Izzy, Jill Jarvis and I will be travelling to Kent on Thursday 30 January for John Twallin's Thanksgiving Service in Kent. Mr Hambly has made a recording of our school song that will be played during the service.

Volunteers in classrooms

If you have some time available, please think about coming to help in school. Hearing readers, supporting an enrichment group or helping with displays or other classroom activities can be rewarding, but also really useful. Please speak to teachers or give your name to the office. All our volunteers need to have a DBS check as part of our safeguarding policy, but this does not take long.

Cold Weather

Reminder: any closures will be on the county website and a text will be sent out. We will remain open whenever possible but will put staff and pupil safety first.

If it is icy we will do meet and greet, so no one has to park and staff will accompany children into the building. Please drive slowly and prepare your child that this is what will happen. The playground will not open for parking when it is extreme.

Cake Sale

Thank you to all those who donated cakes – we have raised £99.56 for Hillside School, Uganda.

Youth Speaks

This year the first round of Youth Speaks was held at the Wesley Church in Saltash. Teams from SRG and Bishop Cornish took part in the Junior Section. Our team one comprised of Ed P, Ruby W and Tom R who argued 'Every School Needs a Mr Crudge' while the other team of Mackenzie, Olivia and Ruby discussed 'The need for all dog owners to take a test'. As normal they were well-prepared and presented amazingly well. I certainly would not have wanted to judge, but after a slight confusion it was our team one that will be representing the Saltash area in the next round. We all felt very proud of both teams and their achievement, so a huge thank you for the effort of all and to Mrs Cunningham for once again organising our entries.

Another busy week

Today we have been fortunate to have Oddments Theatre Group perform Pilgrim's Progress. This morning Years 4, 5 and 6 enjoyed a workshop before watching the play. It was great that the Year 5/6 pupils from St Mellion and St Dominic could join us. An RE grant from the Ironmongers Company was used to pay for this event.

Also this morning Year 3 went to the Apple Store for their workshop sessions. These visits focussing on music have been well received by all the pupils over the past few weeks. Tomorrow, teams from 3/4 and 5/6 are representing us in Sports Hall Athletics in Launceston.
