Over the last few days, Headteachers across England have been receiving specific, up to date live information about the Coronavirus. We continue to monitor the situation and read and act upon all advice given from the Department for Education. One of those actions is to share the below with you: "If you have concerns regarding your health or that of your children and family and coronavirus please stay indoors and phone NHS 111 for advice. Once you have done this please phone school (01752 851362) and speak to the office for advice regarding your child's attendance at school. You can visit NHS.uk to find out more information. If there is an emergency, call 999 immediately."

Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.

**Meeting with Governors**

On Thursday we would like to invite you to come and discuss our School Improvement Plan with members of the governing body. At this time of year, we start evaluating and planning for the next year as soon the budget starts coming through. We hope as part of this process, that children and parents will come and work with staff and governors for an hour from 4.30pm.

**World Book Day - Dress Up Friday 6 March**

**Easter Farm Rota**

The Farm Rota for the Easter holidays is now on the wall in the office – please come and fill your name in if you're able to visit feed the animals.

**Landrake Run - Medical expertise**

Have you a qualification that would help us make sure that all children during the run are helped should they become injured etc? St John's cannot attend so we would like to man a stand ourselves. It is not usually used by too many.

**Ready Steady Read – Sponsored Read 2-6 March**

The children brought home a reading log on Friday to record the minutes that they spend reading through the week (there is a prize for the child in KS1 and the child in KS2 who reads the most!). They can read anything they'd like to - as long as they're reading!

### **Ikona Hillside School, Uganda**

Mr Crudge's British Council application for a grant to visit and work collaboratively with Ikona Hillside has been a success. He will be joined by Mr Hambly and they will be teaching geography, PE and music whilst with the children of Ikona Hillside. As well as this they will be working on a project entitled 'Zero Waste'. This project will educate and highlight the need to reduce waste in both the school in Uganda and schools in the United Kingdom. They are both extremely excited to be taking part in this opportunity. Furthermore, within Mr Crudge's application it is highlighted that we, as a community, would be sharing lightweight items that highlight what it means to live in Cornwall and the United Kingdom. We will also be sending items that will support Ikona Hillside. If anyone wants to send items over to Uganda it would be very much appreciated. There will be a suitcase at the front of the school to support this cause.
