

Home Learning During School Closure

We are following guidance and will close the school if this is advised. Hopefully we may not need it, but we thought we would give you this information now.

When children are at home due to school closure, we will ensure that we can support learning during the time the school remains closed.

We have sent home a 'just in case pack' that can remain at home just in case. If you need anything else, please let us know now. This contains:

- Spellings
- Tables grids and Times Table Rockstars info
- Several books to read
- Project book to write in
- Maths paper copies and textbooks and a square maths jotter
- Logins are in reading diaries – children will need to write reading reflections.

Luckily, the majority of children have access to ICT and work can be set and reviewed by teachers on a daily basis. We will be making sure that teachers have email contact for parents in their classes so that they can set work and feedback.

Our expectations are that children:

- Read as much as possible and quiz on accelerated reader. Teachers will track and monitor on a daily basis.
- Mathematics: cover courses that are set, as well as areas that they need to develop further
- MyMaths: Year 6 will have this set for them as well.
- Education city: this covers French, science, maths and English
- Spellodrome: spelling
- Access Tables Rockstars: good for tables
- Purple Mash: has an ICT scheme of work and writing frames - teachers can access work
- We would also suggest that children start a personal project on an area that they would like to do.

Eg. Victorians, Europe, Animals, London, Photography etc. Information is on the website to support this

Within this, children should show a range of recording. They may write a story, produce a fact file, a poster etc.

Some sort of physical exercise, depending on the situation, is definitely needed so share with us what you have done - we can share original ideas with others.

If you have any queries about logins, please email homelearning@sir-robert-gefferys.cornwall.sch.uk

Izzy will be able to respond and provide them for you

Email Addresses

If you have never emailed the school please could you send an email to secretary@sir-robert-gefferys.cornwall.sch.uk with your name and your child's name and class. This will mean we can update our information and if a closure was to happen, we could correspond as appropriate in this way.

Twinkl is also offering all Twinkl resources for free for a month.
