

Thank you to...

Thank you to Debbie Jenkins who has kindly offered us a small marquee for the Leaver's Fest and Year 6 leaving event. We really needed it and the kind offer is greatly appreciated.

Thank you for the kind emails we have received. It has not always been easy to work our way through all the regularly updated guidance, but we have tried hard to make sure we have met the needs of our community. The needs of the children and their learning has been at the heart of all the decisions we have made.

Thank you to the staff who have shown such a positive approach to overcoming every barrier so that any child whose parents requested it, has been able to spend some time back in school before the holidays.

Thank you to the children who have made all the strategic planning and jigsaw puzzling worthwhile by their enjoyment and appreciation of being back at SRG. The real SRG is proving popular once again and while we worked well virtually, to see real children once again is really rewarding.

Finally, **thank you** to you for trusting us once again with your children and supporting the systems we have put in place. I know how precious each one is and how difficult some of you found it to make the decision to let them return to school, I hope that hearing their excitement and enthusiasm after their return and seeing the systems in place, first hand, has been reassured you.

Chromebooks

If you've borrowed a Chromebook from school, it needs to be returned by **Friday 17th July** at the latest.

Holiday Club

Sadly, with the current guidance and numbers involved, it is not feasible for us to organise a holiday club this summer. The cost of staffing in relation to numbers in each bubble would have made it an expensive option, as we would not be in a position to subsidise.

We will signpost you to existing providers in the area as they make us aware of their offers.

With more time in the future and less restrictions it is something we will investigate once again if there is a need.

Summer Holiday Farm Rota

To book yourself in to come and feed the animals on the farm, we've set up a booking system on School Interviews, which you should all be used to by now!

Go to: www.schoolinterviews.co.uk

Event code: kgr2s

When you log on to choose your dates, if it says [FULL] after, this date is already taken, so choose other dates that suit you.

If you find you're unable to do any of the dates you've chosen, please ensure that you log back on and cancel your bookings, so they become available for others.

Outstanding Balances

Please check your ParentPay account and clear any outstanding balances for trips or school lunches.

KS2 (Yrs 3, 4, 5 & 6) are being charged just £1 for school lunches for the rest of this term.

Congratulations

Congratulations to Mr Crudge and his partner Emma on the birth of their son, Noah Arthur Crudge, who was born on Wednesday 1st July and weighed 8lb 1oz. They are home and father and baby are sleeping well!

September

We will be planning for a full school return in September and will share our plans for how this will happen over the next few weeks.

All children will be expected to attend unless they are ill - if they show symptoms of Covid, a test will be necessary.

We will continue with all our preventative measures so hand washing, cleaning and good personal hygiene will continue to be a priority. A new under cover area will be installed in August on the KS1 playground with picnic tables for outside learning opportunities. This will continue to be useful after the virus, so a good long-term investment as well.

Our staggered start and finish is very likely to continue as we have found this has worked well, although we will adjust timings for September. When this is decided we will send out the information to you.

I was really pleased to read that the broad and balanced curriculum that we highly value should be delivered. Over the next few weeks we will share with you how we plan to support the transition for all and deliver an exciting curriculum to motivate and enthuse our learners in the first half term.

Accelerated Reader

***NEWS FLASH *** We have **10.5 million to go** to reach our 100-Million-word count!

REMEMBER - bed time stories can be shared, there are audio books you can listen to as you travel and even a shorter 'quick read' counts. Can you quiz it? YES YOU CAN!

Whole school count this year so far:
89,448,454.

Congratulations to William Br. on achieving his 1 Millionaire status.

I would like to give A.R. Reading recognition this week to: Gwen H, Archie H, Ruan H, Ethan F, Rebecca J, Florence W, Lacey B, Fleur B, Daisy I, Poppy C, Ben C, Joseph O'K, Alfie G, Olivia T and Meredith T.

*** This week's book suggestion is...
a book containing a Hero***
