Farm Rota – Summer Holidays

If you'd like to come to visit and feed the animals on the school farm over the summer holidays, please book yourselves in here:

www.schoolinterviews.co.uk

Event Code: j8qpf5

We will email instructions to all before the holidays.

Covid-19

Please be vigilant because, as you are aware we are without a bubble. I have spent many hours contact tracing over the weekend and have spoken at length to Public Health Cornwall today. We now have the right people isolating according to them and the risk assessments that we have done related to their guidance.

This seems to be a non-school, isolated incident but if your child does develop symptoms please inform us and organise a PCR test.

We are going to suggest that masks are still worn on the school site and we will make Speech Day as outside as possible by opening the sides etc.

Having got so close to the end of term, and also a change in guidance it seems a shame we did not quite make it. Safety has to come first, and so a huge thank you to all who have supported us so well during these challenging times.

Book Amnesty

Please have a look around at home – if you have any school reading books that are no longer needed, please bring them back into school so we can be ready for September.

Speech Day

Please come and help us celebrate another year of learning at SRG in the marquee on Wednesday from 9.30am onwards.

We will be opening all the sides up so we can space seats, in pairs out into the field. Please also wear a mask on school property.

Sunhats and sun cream are also advised.

If you're yet to book your tickets, please do so:

Event Code: bay3d

Uniform

Smart school **summer** uniform should be worn:

Girls

Green summer dresses or white school polo shirts and green skirts with white socks and black shoes. Hair should be tied back.

Boys

Grey shorts or grey trousers, white polo shirt and grey socks and black shoes.

No jumpers in the marquee as it will be hot.

Parking

The playground will be open for parking from 9am when all children have been dropped off at school. Please consider parking out of the village and walking or park below school and walk through the nature trail.

Lunch

Light refreshments will be served at midday for adults only. School dinners (already booked) will be a packed lunch – children can bring a home packed lunch.

Signing out

If you wish to take your child out of school after the event, they must be signed out – this is a choice for you to make.

Staff will be running activities during the afternoon if you wish your child to stay.

Mr John Twallin

As some of you will remember, John Twallin who was a governor and then the Chair of Governors for many years, died in December 2019. It was John who came up with the school motto - Sir Robert Geffery's School – a School for Enthusiasts. He also gave hours of his time supporting the work of the school, and for many years although he lived in Kent, I would converse with him on the phone on a daily basis. His vision and involvement in the school certainly helped shape the direction that we are travelling today. I think personally he was himself, like Sir Robert Geffery's as he left a legacy for our community. We had hoped last year to officially rename The Qube as The Twallin Centre and we have a plaque that we will have dedicated by Rev. Laura at Speech Day to mark the contribution he made for so many years. It has been confirmed that two of John's daughters will be able to join us for this occasion.

This week

Just to confirm that...

Arrangements until the end of this term will continue as normal with drop off and end of day staggers.

We will be reverting back to more normality in September and will make sure you have the information as soon as guidance has been received so we can finalise our decisions.

We are hoping to offer our normal extra-curricular programme from 3.30-4.30pm in September - the only difference will be that the club list will come as a google form!

Congratulations

Congratulations to Axel and Theo for their swimming achievements and for getting silver and bronze medals at Plymouth Leander Swimming Club.
