OVERVIEW

During this half term we will be thinking and learning about ourselves. We will be learning about Me and my Family, Me and my World and Me and my Body.

We will be exploring what we look like and the idea that everyone is different and unique but most importantly special.

We will be learning about our local community and where we belong, talking about our school, the church, our friends and our precious families. We will be thinking carefully about our feelings and the feelings of others.

We will be thinking about how to look after our body by exploring eating healthy food, exercising and brushing our teeth at least twice every day.
