Suggested Books

Books for primary schools:

From: [Primary School Reading Lists for Children aged 3-11](#)

We love reading here at Sir Robert Geffery's and although we often suggest and recommend books to each other in school, we thought it may be helpful to have suggestions from elsewhere.

Please click on the picture above for a link to access 'The School Reading List UK' which has helpful suggestions for a variety of books for each age group.

Enjoy 😊
