

# Thrive Colour Hunt

Explore your home and garden to see how many of the Thrive colours you can find. Use the boxes below to draw, glue or write what you discover!

We would like to see your completed sheets! Go to the Thrive Facebook, Twitter or Instagram pages to send us a direct message, attaching photos of your work. We'll then share them! You can also email your photos to [socialmedia@thriveapproach.com](mailto:socialmedia@thriveapproach.com)

Let's help every child
