Parking/Driving around the village

Please be aware that you need to give way at the top of the slip road up from the Notter Bridge garage. A local resident was nearly driven into this morning when a driver didn't stop to give way.

Also, please do not park in the spaces opposite the school that belong to the council houses above.

Cake Sale – Thursday 5th May

We are holding a cake sale on Thursday – if able, please bring in **nut-free** cakes to sell at break time. Cakes cost 20p each. All money raised is sent over to Hillside School in Uganda.

Head Lice

Head lice like clean heads and should not be seen as something to be ashamed of or kept to yourself (we have all had them!). To prevent further outbreaks, we are asking if you would be kind enough to check your children's heads. If head lice or their eggs are found, please follow the 'wet combing' method: after washing your child's hair in the normal way, apply plenty of conditioner to the wet hair and comb through with a fine-tooth comb.

This should be repeated every day for 2 weeks so that any lice emerging from the eggs are removed. If you wish to use a lotion as an alternative to this method, please would you speak to your pharmacist or health visitor, since treatments are changed from time to time to prevent head lice becoming resistant to the active ingredient in a particular product.

Head lice can re-infect those children from whom they have been disinfected and we ask you therefore to be vigilant. We do recommend that if your child has longer hair, they wear it tied up for school - plaiting hair can help to prevent infection. We know that parents will be prepared to support us in completing the checks themselves and clearing their children of any head lice which may be discovered. Please check your child's head regularly and help us to make our school a head lice free zone!

Sports Update

SRG A team complete their league campaign with a narrow defeat.

On Thursday we played our final A team league game at home against Dobwalls. This was a fabulous game which ebbed and flowed from the outset. This was a tough tackling, no nonsense type of game from both teams. Our visitors carved out some good openings but were denied by some great last ditch tackles from Mia and Zac and also some fine saves from William in goal, who was making his A team debut. We gave our opponents a little too much respect and it was no surprise that Dobwalls did take the lead after 5 minutes. This stung us into action and our midfield three of Stanley, Joseph and Josh worked like beavers to cut down space and break up play. We were rewarded for our efforts when Joseph chased down the ball in midfield and passed forward for Jacob. The Dobwalls 'keeper rushed out of his goal to clear the ball but his clearance rebounded off the on-rushing Jacob and ricocheted into the empty net. 1:1!

The score stayed the same until mid-way through the second half when a mazy run by the impressive Dobwalls midfielder was finished off when their striker reacted first in the box and tapped the ball into the goal to restore our visitor's lead. Mr White then threw caution to the wind, putting JJ and Alfie in more forward positions and we began to create some chances of our own. But, despite our best efforts, we couldn't find the second equaliser even though Josh's goal bound shot was prevented from crossing the line by a rather long tuft of grass! We were short at the back and were it not for a couple of point-blank saves from our player of the match William, we might have conceded further goals. The final score was SRG A 1, Dobwalls A 2. We have come a long way as a team this year and our performance today, against a very strong and skilful team, has to be one of our best performances of the season. Thanks to all the parents, friends and relatives who have supported the team this year both on the sidelines and transporting children to and from fixtures! Mr A & Mr W
