

This Week:

		Back to School			Tuesday 6th September 2022	
Monday 18th	Tuesday 19th	Wednesday 20th	Thursday 21st	Friday 22nd		
•	•	• Yr 6: Lantallack	•	• 1.30pm Yr 6: Leavers Play • Last day of term		

September 2022 – Reception spaces

We still have spaces in Reception for starting in September. Please share the information with as many of your contacts as possible, just in case there are families out there who would join us.

Farm Rota

If you're able to come along to visit our pigs, chickens, donkey and guinea pigs over the summer holidays, please book yourselves in on the link below.

If you book yourselves in, *please make a note of dates and ensure you come along.*

Instructions will be sent out prior to weekend and holiday bookings, but they are also written on the board in the shed.

Code: vhd7d

Thank you

Thank you to all families for your kind donations of cakes and funds over the past few years. We have sent £2500 to Hillside school, to enable the school to buy additional educational resources. This coincided with children in KS2 writing some lovely letters in response to those sent from children in Uganda. Thank you one and all, your generosity continues to make a difference.

School Lunch

The school lunch menu will remain the same as this term until October half term.

Weather

The children have been reminded in class and assemblies to drink lots of water, wear a hat/cap, apply sun cream, seek shade and take rests at break and lunch. We have also provided shade by putting gazebos up. If we feel that conditions on any day are not suitable for outside play, we will make the decision on the day for children to be in.

Current Year 2 Parents

From September, you will be required to pay for children's school dinners as they will be in KS2 and no longer eligible for the universal free school meals (unless, of course, they are in receipt of pupil premium).

Speech Day

On behalf of all the governors, thank you to everyone who made Speech Day such a memorable occasion. The musical and individual year group performances were excellent and a great tribute to all the children and teaching staff. Very well done to you all!

I would also like to reiterate our thanks to everyone (teaching, administrative, cleaning, catering staff etc.) who have contributed to children's achievements this year. Although I didn't mention it during my closing remarks I am very conscious of the recent work that has been completed on the school farm. Huge thanks to the Committee and all those who continue to make the farm such a success and valuable extension to the children's learning experiences.
