Parents Evenings

Tuesday 18th and Wednesday 19th October

You need to book your slots as usual on:

www.schoolinterviews.co.uk.

- Instead of coming into school at the time of your appointment, click on the link that will be in the booking confirmation email. The teacher will then 'let you in' to the meeting.
- The system can only support parents calling in from *one* device.
- Please consider the teachers and other parents – if you need to speak to the teacher for longer than your allotted time, please check whether this can be arranged.

KS1 (Reception, Year 1 and Year 2) Code: yzkfv

Book one ten-minute slot per child, per teacher.

KS2 (Years 3, 4, 5 and 6)

Code: b7mnc

- If your child has maths with their class teacher, book two consecutive five-minute slots with them.
- If your child has maths with a different teacher, book one five-minute slot with their class teacher and one five-minute slot with their maths teacher.

If you have not received a confirmation email, contact the office and we will get one out to you.

Awards

Please return all weekly awards to school ASAP.

Harvest

Our annual harvest service will take place on Wednesday 12th October at 9.15am.

As in the past, we will be collecting for the local foodbank – please send in any tins or non-perishable food which we will donate to our local foodbanks – contributions will be taken by the children to the church on the day. Thank you for anything you can give.

Despite saying children only in the previous newsletter, after careful consideration of all factors, we are able to welcome parents to the church. Our apologies for the change at late notice. All being well, we will be able to also welcome parents to the Christingle services on Friday 16th December.

Cake Sale – Tuesday 18th October

We sell cakes at break time to each class in turn, for 20p each. We ask that parents send (**nut free**, homemade or bought) cakes in to school on the morning of each cake sale. Any cakes left over are sold at the end of the school day. This month, all proceeds from the cake sale will go to Mission Rabies (more info will follow on next week's newsletter).

Hello Yellow

It was great to see so many children wearing yellow today to celebrate World Mental Health Day. Learning about positive mental health and how to look after our own and other's wellbeing is so important to us here at SRG. Thank you for your donations which will be sent to the [Young Minds charity](#) #HelloYellow

SRG Awarded Primary Science Quality Mark!

This month we found out that we have been awarded the prestigious PSQM. This is to celebrate our commitment to excellence in science teaching and learning. The process involved an initial self-assessment audit, setting targets, creating an action plan for development and then a final review. Mrs Cunningham then had to submit this to gain the award alongside a clear review of the impact that the improvement programme has had.

In the words of PSQM:

Primary Science Quality Mark is a one-year school improvement programme for primary science, which provides professional development for new and experienced subject leaders each year. PSQM enables confident, knowledgeable, reflective leadership which results in an improvement in the way in which science is planned and taught across the whole school.

Well done SRG!

Girls Football Round-Up - Two games, two clean sheets, four points and five goals for SRG

On Tuesday we took part in the second round of the Arena football tournament in Callington. Coming only a week after our first matches against Bishop Cornish, we were a very different side and fully deserved to win both games! First up, we played Stoke Climsland and were two goals to the good within the first 3 minutes, when Olivia helped herself to a brace. We dominated possession with player of the match, Gracie, Ruby and Bonnie working like terriers in midfield. Olivia looked a threat every time she had the ball and we dictated the play. Midway through the half, captain Ava collected the ball from Daisy and sent a superb long ball through to Merryn, who beat the goalkeeper, only to see her shot come back off the post. With SRG in total control, we made a few changes to position in the second half and Olivia duly completed her hat-trick in the first minute of the half, then unselfishly set up Katy for a tap-in to make it 4:0 to SRG. Olivia completed the scoring in the 16th minute when she fired high into the Stoke Climsland net for her fourth goal of the game. We still had chances to further extend our lead but Katy's rasping drive from fully 20 metres out just missed the top corner. Having beaten our opponents, we did try to scupper our own chances of scoring more, when a dangerous looking corner from Olivia hit Bonnie full in the face! Thankfully, no permanent damage was done, to either Bonnie or the ball! We saw out the last couple of minutes to record a very comprehensive 5:0 victory.

Those of you who follow our football match reports will know that we played Bishop Cornish twice last week and despite playing well in periods of both games, were beaten 3:1 and 2:1. This week was a very different story. We took the fight to Bishop Cornish and more than matched them tackle for tackle and pass for pass! We played some super football, created a number of chances and really soaked up most of what Bishop Cornish threw at us. In truth, we were unlucky not to go on and win the game - although player of the match, Katy had to be on top form in goal as she bravely threw herself at the feet of the Bishop Cornish strikers on a number of occasions. We had our own chances and were it not for a fantastic full length save Olivia would have won the game for us. Seren and Ruby also created chances for themselves, but shot tamely when well placed. There were stunning performances all over the pitch from the SRG girls and Mr White even likened Ava's performance to Chris Waddle in his prime, as she jinked and twisted herself away from her marker to thread an inch-perfect pass through to Seren. The final whistle went with the score at 0:0. Should we be disappointed we didn't win the game? Actually yes, although the improvement from the previous week was clear for all to see. Well done SRG girls.

We would love to purchase a new school football kit, for all of our school teams. So, if anyone reading this is keen to sponsor a new school football kit, or knows someone who might be able to help us in any way, please get in touch with Mr Arundell, Mr White or a member of the office staff. Thanks!

A38 development visit

We are excited to be welcoming to school on Thursday a team of visitors who will be running STEM (Science, Technology, Engineering and Maths) workshops linked to the A38 road developments. Children across the school were asked for their opinions on the proposed safety measures last summer (at the same time as the consultation link was sent out to parents).

They had some great ideas and questions and Years 5 and 6 are enthusiastic about learning about the National Highways traffic officers, Air Quality and Lego robotic cars, Civil Engineering and discussing stopping distances of different road surfaces. Thank you to Pell Frischmann who are working with us to organise this.

Forms

Please return all consent forms/use of images forms by the end of this week.

Dates for your Diary

Tue 18 Oct	Parents Evening Cake Sale Girls Football match
Wed 19 Oct	Parents Evening
20-21 Oct	Yr 6: Jnr Ten Tors residential
24 – 28 Oct	Half Term
Tue 1 Nov	Friends AGM
Fri 4 Nov	Yr R & 6: Height/Weight checks
Fri 11 Nov	School Disco
Tue 15 Nov	Cake Sale
Thu 17 Nov	Individual School Photos
Fri 18 Nov	League Run
Fri 25 Nov	Nasal Flu Immunisations
Fri 2 Dec	Christmas Fair
Thu 8 Dec	Yr 1: Hearing Screening
