After-School Clubs advanced notice

At SRG, we are proud of our after-school clubs offer which is very important to children, families and staff alike. We want to continue to offer a range of activities across the week. The current walkie-talkie system, with children leaving clubs at different times is proving very disruptive to the club and limits what staff can do with the children in the club. From after Easter, the

organisation of pick-up from ALL clubs (including homework) will return to how it was pre-COVID, that is, children can only be collected at the club end time of 4:25pm. We will say which doors to pick up from when the clubs list comes out. The normal, end of school pick up time of 3:30pm remains the same and if parents think that they will be late, for example, in an emergency situation, they should contact the office.

The United Nations' Convention on the Rights of the Child (UNCRC) **is the basis for all of UNICEF's work and upholds children's rights all over the world.**

This week we have discussed - **Article 17** – access to information from the media.

Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand.

Governments must help protect children from materials that could harm them.

Next week we will be looking at **Article 35 - abduction, sale and trafficking and making links to our knowledge on Internet Safety.**

Swimming Gala

On Monday night, after 3 years of cancellations, we took 4 teams of 4 children to take part in the Devonport Royal school's swimming gala at the Life Centre in Plymouth.

Our four teams swam brilliantly. First up were the girls A team of Alice, Eliza, Seren and Tilly who came 5th in their heat. Next were the girls B team of Emily, Kristina, Vanda and Millie who finished in 8th place in their heat.

The boys A team were up next and Ashton, Adam, Arthur and Aaron pushed Plymouth College all the way and finished in a dead heat for first in their heat. Our final team of Dougie, Ellis, Simeon and Harris finished 4th in their heat. When all the teams had completed their heats the results were announced and to our joy the boys A team won the bronze medal!

Thanks to all the children who took part, their parents for supporting them and Mr White for accompanying me for the evening. Well done everyone! Mr A

Double header at Burraton

SRG Year 5/6 teams visited neighbouring school Burraton for a double header this week, with both teams looking to impress.

The first match kicked off with the girls looking confident, a midfield of Alice, Bonnie and player of the match Gracie buzzing around winning the ball back. Chances were limited for both sides, partly due to well marshalled defences with both Esme and Merryn very comfortable for the girls in green. Captain Ava began to have more influence on the game as it went on with one or two half chances beginning to fall, but no concrete efforts. As the minutes went by, SRG shuffled the pack with goalkeeper Katie partnering Seren in an attacking onslaught. With Daisy being resolute at the back, the moment of the match came when our very own Chris Waddle, Ava, rasped a looping shot from 25 yards out only to see it crash against the crossbar to leave the scores at a 0-0 stalemate. SRG felt that they could have nicked a win but a draw was a fair result. Player of the match- Gracie N

The boys followed with only a win needed to secure a second division title this term. A rousing team talk at the start fell on deaf ears, as SRG started slowly with sluggish enthusiasm and a squad that resembled boys running in porridge. This was not the performance of prospective champions. William attempted to spark the squad into life with some marauding runs and snappy tackles and Adam, in goal, pulled off some saves to ensure that half time fell with the scores locked at 0-0.

As far as half time talks go, a hairdryer treatment was needed with a clear message offered... up the intensity and desire and the result will change. And what a change we witnessed. First to every ball led by Arthur and Dougie, SRG were now dominant. With Harley and Jacob pulling strings, it was a matter of time before Arthur crashed the ball home to open the scoring. William and defensive partner Bodhi were rocks protecting James in the goal and Sidney was leading the forward line, pestering the defence and was rewarded when a flowing move resulted in him poking home to the delight of the parents. More chances followed but weren't to be as SRG finished the game 2-0 victors with a second half turnaround that left Mr A and Mr W very impressed. Player of the match- William B Well done SRG - League champions elect.
