Well done Team Year 6!

A big well done to the children in Year 6 who have successfully completed their SATs tests this week. Thank you to Mrs Cunningham, Mrs Clark and the full staff involved in helping the children to be so well prepared. The children have enjoyed a mini party today and have lots to look forward to over coming weeks, including their trip to London (22nd - 26th May). Mr White will be supporting Mrs Cunningham and the team on the trip, with Mrs Clark looking forward to leading Year 5 during that week.

NSPCC next week

As explained in the letter emailed to all parents on 28th April, we will be taking part in the NSPCC Speak Out Stay Safe programme next week. This includes assemblies and workshops for Years 5 and 6 that are designed to further upskill children in keeping themselves safe and speaking to trusted adults if anything is worrying them. Please refer to the letter and links within it for more information.

Mental Health Awareness Week

Next week is Mental Health Awareness Week. At SRG our focus for the week is to encourage pupils to speak out and ask for support if and when they need it.

We will finish the week with a 'green day'. The green ribbon is the international symbol of mental health awareness, and we want to raise awareness and support good mental health for all in our community by wearing something green on Friday.

Parking and Driving Safely

Thank you to all the children who brought in their road safety poster designs. Mr O'Hara will announce the winners in Monday's assembly. We have attached a scan of one with this newsletter. Thank you to all for helping to make the roads around our community a safe place for all.

Morning drop-off's plea

If you need to get out of the car with your children when you drop them at school in the morning, please park in the playground to do so. The staff carpark at the top is to be used only if your children are getting out of the car and walking into school by themselves. People stopping and parking is blocking access for both other parents and staff and causing safety issues with multiple children and bags waiting around cars.

Military Kids Parade

Children at school whose parents are in the services can come on Tuesday lunchtimes to our SRG Military Kids Club. It is kindly run by our governor and ex member of staff Lynn Dowell and children enjoy meeting for chats, games and sometimes special tasks. Last weekend, three children - Sam, Tom and Ezra - represented our school at the Mayfair Parade of Youth in Saltash. The Mayor had asked specially for armed forces families to lead the parade in order to highlight the significance of the Armed Forces in the town. Thank you to them and their families for supporting and representing the school.

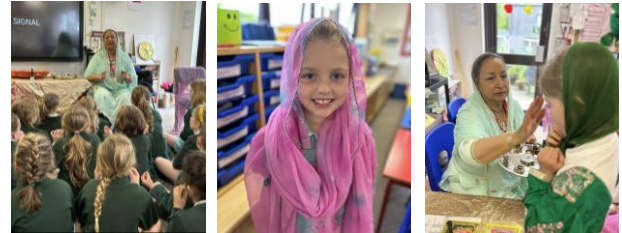

Congratulations

Huge congratulations to Bodhi W who won Gold at the Irish Lead Climbing Championships in Dublin at the weekend.

Religious Studies - Hinduism

This week KS2 invited Daya into classrooms to enhance our learning on Hinduism. During the workshops, KS2 pupils learnt about: rituals, beliefs, cultural stories, language and experienced traditional dances whilst in costume and made some Indian cuisine. Much fun was had by all!

Staffing Update

We are pleased to announce that Mrs Charlotte Clark will be teaching the Reception class with Mrs Hawkings from September. Mrs Hawkings will teach Monday to Wednesday and Mrs Clark Wednesday to Thursday. It is a real benefit to school to keep both on a part-time basis with their extensive skills and experience. We are currently advertising on our website, a KS1 teacher role from September 2023. Confirmation of which teachers will be teaching which other classes next year will come out later this term.

Farm Rota – May and June

Please book yourselves in on the farm rota to visit and feed the animals on the school farm over the weekends and half term.

Free School Meals

Please sign up for Free School Meals if you are eligible. We receive additional funding and children become eligible for discounted music lessons and other activities, so please still apply even if your child is in KS1 and receives a free meal anyway.

Our budget is always tight and this makes a difference. If you think you may be eligible, follow the link below. This additional money lasts for six years even if your circumstances change. The funding given to schools makes a real difference to your child and what we can offer.
