

31st March 2023

Dear Parents and Carers,

Following the success of our Year 4's 'First Access' Cornet and Trumpet term which finished with a brilliant assembly; I am delighted to offer brass lessons to the pupils of Sir Robert Geffery. The children of this school are incredibly fortunate to have a selection of school brass instruments available. If your child would like to continue developing their brass playing with me, they will have the opportunity to try different brass instruments and together we will decide which instrument is best suited for the individual.

Visit <https://cmst.co.uk> to learn more and to request lessons (various structures available) go to 'Sign Up.' Please also check if you are eligible for subsidised lessons. There are discounts for Pupil Premium families including MOD families. The ASONE Community Hub are keen to support the progress of brass playing in the area so if there is a reason preventing a student from learning, please do not hesitate to get in touch to see how they can assist.

Your Sincerely,

A handwritten signature in black ink, which appears to read 'Kathryn Harris', is placed below the typed name.
