

Sir Robert Geffery's Primary School P.E. and Sport Premium Funding Report - Summer 2023

For the academic year September 2022 to July 2023 the school received **£17,940** in Sport Premium Funding.

We must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) on offer to pupils.

This means we will use the premium to:

1. To develop or add to the PESSPA already in place in school (referring to the aims below)
2. To make improvements now for future pupils

The 5 key indicators where improvements should be seen are:

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

The National Curriculum aims are for all children:

- To be physically active, working towards a target of 30 minutes activity during and after the school day (excluding general play times)]
- To excel in a broad range of activities
- To engage in competition
- To lead healthy lifestyles

We aim to do meet the curriculum expectations with the help of the Sport Premium Funding by providing:

- A more inclusive curriculum
- A growth in traditional and alternative sports
- Improvements in our partnership work with other schools
- Creating links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.

Meeting national curriculum requirements for swimming and water safety: Please complete all of the below:	Please complete all of the below
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	97%
What percentage of your Year 6 cohort perform safe self-rescue in different water-based situations?	93%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
