**This week's visitors**

Governors and leaders of the school would like to say how thankful we are to all of the efforts of staff during our inspection visit on Tuesday and Wednesday.

Thank you also to all of you who gave your time to respond to the Ofsted Parent View system - your supportive comments and views meant such a lot. We are all so proud of the children who demonstrated the SRG Values with their politeness, friendliness, and super behaviour in classes and around school.

Well done everyone and we will of course let you know when the final report is available and published over coming weeks.

**Farm Rota**

If you'd like to come and visit the animals over a weekend or school holiday, please book yourselves in by going to:

It is most appreciated.

**No dig allotment progress update**

Year 1 and Year 4 completed their no dig beds this week, working hard as a team to measure, prepare and fill their own growing area.

Year 5 and Year 3 will complete theirs this afternoon so by the end of the day we should have our own no dig allotment finished! Classes will enjoy spending forthcoming lessons thinking about what they might want to grow and how.
