Ways To Play

There are lots of different ways to get involved with playing the beautiful game in Cornwall. We have opportunities for youth boys and girls, open age (male and female) as well as disability and walking football provision.

Leagues and Club

Whether you're thinking of setting up a new team, looking to become an accredited club or trying to gain funding to develop your facilities, Cornwall FA can support you with this process.

Safeguarding

Cornwall FA recognises its responsibility to safeguard the welfare of all children and young people. Affiliated football is therefore committed to working to provide a safe environment for all children and young people to participate in the sport to the best of their abilities.

Volunteers

Grassroots football wouldn't exist without the incredible volunteers that support the game - From secretaries and coaches, to groundskeepers and tea makers, local clubs need volunteers to keep running. Every club is looking for new volunteers so why not get involved!

Referees

There are plenty of refereeing opportunities across Cornwall in a variety of formats including: 11-a-Side, Mini-Soccer, Futsal, Small Sided, Beach Soccer, PowerChair and Disability. Cornwall FA have also got discounted courses thanks to donations from local leagues.

Coaches

One of the biggest influences in any player's career is their coach. Coaching is an opportunity to inspire a new generation of players, giving them the skills they need to go on and play the beautiful game for many years.
