**Attendance**

Congratulations to **Year 1** who had the highest attendance (10<sup>th</sup> – 14<sup>th</sup> June). Mr O'Hara will be visiting to put some marbles in your jar!

**2024-25 Dates**

We've added in the residential dates for next year into the list at the end of the newsletter – more information regarding each of these will be sent out soon.

**School and Community Farm**

As we're sure you're aware, the children have been spending time down at the farm on their no-dig plots and in the poly-tunnel planting and harvesting what they've grown – there are many photos on the [facebook](#) page.

The animals on the farm love their visits and cuddles from the children as well... if you're able to come along one weekend or over the summer holidays, please put your names down here:

**Summer Fair – Friday 28<sup>th</sup> June**

The playground will be open to parents from 2.30pm. Children will remain in classes, coming out for a short singing and dancing performance just after 3pm, with collection from usual end-of-day doors at 3.30pm, so that they can come back down to the field with parents to enjoy the fun – including 'sponge the teacher' which is back by popular demand!

The Friends would be very grateful for any homemade or shop-bought (nut free) cake donations for the Summer Fair tearoom on Friday 28<sup>th</sup> June. Donations can be dropped off on the morning of the fair. Thank you

If you are able to help staff the Farm stall at the summer fair for 30 mins or an hour, please email: [farm@sir-robert-gefferys.cornwall.sch.uk](mailto:farm@sir-robert-gefferys.cornwall.sch.uk)

## Celebrations

SRG has become one of the first schools in the South West (first and only primary school in Cornwall) to be recognised for its important work in helping children learn about farming, food production and links to the environment and sustainability; we have achieved Demonstration School Status Bronze Award.

As a demonstration school, SRG are taking a lead on how to incorporate this important learning into the curriculum and personal development of our children - so important for their wellbeing now and into the future.

On transition morning, each class will be choosing what they would like to grow on their patch next year.

We celebrated with children from our Eco Committee and representatives from the after-school Eco Club with a photoshoot with Lisa from LEAF (Linking Environment and Farming) - the commemorative shrub will be planted by children on the bank next to the playground in autumn.

A huge thank you to the parents on the farm committee and staff involved - the children benefit so much from the different ways in which they use our lovely farm. Thank you.

## Farm Visits

As part of our work with LEAF, different year groups have visited and will be visiting local farms.

On Monday next week, Year 5 are visiting Meaders Farm, looking at their Lavender beds and investigating how conditions and methods of farming have influenced the crop this year. Links will be made to their 'no dig' allotment beds and growing that they have done this year.

## 100 Club - May winners

1 <sup>st</sup> prize	£20.00	ball number 33
2 <sup>nd</sup> prize	£12.50	ball number 60
3 <sup>rd</sup> prize	£10.00	ball number 9
4 <sup>th</sup> prize	£5.00	ball number 88
5 <sup>th</sup> prize	£2.50	ball number 100

Good Luck for next month - remember, you have to be in it to win it...

## Exciting STEM workshops lead by HM Navy

Last week, children from Years 5 and 6 were excited to meet two engineering officers from Royal Navy and HMS Venturer - one of the world's most technologically advanced ships.

This STEM outreach session was a fantastic experience for the children - to enable them to experience coding and programming in a hands-on way and to get them thinking about the many careers they could begin to consider that use such skills.

The officers were extremely complimentary of the both the children's high engagement in the tasks and their exemplary behaviour.

## Summer Concert - Tuesday 25<sup>th</sup> June - 4.45pm

Please ensure you've replied to Mrs Suckling's email or sent in the tear-off slip to let Mrs Suckling know whether your child is taking part or not.

## Well done!

Four pupils took and passed piano exams last Friday:

Gwen H - Grade 1  
Tilly C - Grade 1  
Eliza R - Prep Test  
Kezia W - Initial Grade

Congratulations to you all!

## Lost Property

We have a number of water bottles and lunch boxes on the top shelf of the trolley if you're missing any!

## Wanted!

If you have any spare/unwanted wool in animal colours - browns, black, white, grey, red, orange/ginger, please bring in to school.
