**Class Attendance**

The class with the best attendance for the week 9<sup>th</sup> – 13<sup>th</sup> September are **Years R and 2.**

Mr O'Hara will be visiting soon to pop some marbles in your jar!

**Parent Class Information Evenings**

Thank you to parents and carers who attended their child's information evenings (Year 5's is next Monday). Feedback has been that this is a great way to meet your child's new class teacher, spend time in their classroom and ask any questions about the curriculum etc.

**SRG Salamander Tables**

We are continuing with our bespoke and challenging times table quizzes fortnightly in Years 1 – 6.

[Here](#) is a link to the Parent Guide for how it works and we have attached two examples to the email with this newsletter – x2 tables (encountered typically in Year 2) and the Gold challenge (when children have completed up to x12, they have bronze, silver, gold and platinum challenges). We hope you enjoy having a go! Thank you for helping your child learn the facts – they bring home their completed quizzes fortnightly. Confidence in this has a huge impact in lessons and long-term.

**Year 6 Powdermills Adventure**

Consent and Medical forms will be coming home on Monday – please complete and return ASAP please.

**School and Community Farm**

We are very lucky to have a farm on our school site and the children thoroughly enjoy their time there with all the different animals, learning about them, how to care for and feed them. During the weekends and school holidays, the welfare of the animals is paramount and we need parents and families to come to the farm to help look after them.

If you can spare an hour or so one day on a weekend or over half-term, it really is appreciated by all involved – especially the animals!
