An Exciting Opportunity!

The area known as the football field, on the north side of the A38 is leased to the Parish Council by the Ironmonger's Charity. It is a great open space which is not well used at present. We would like to develop it for the Parish, especially for the benefit of the children and their parents.

These intentions are in line with the wishes of the Ironmongers Charity namely to support the children of the parish, which is why we are very keen to work with the school. We want to secure a longer period of lease, so that we can be sure any investment is worthwhile and sustainable.

Parish Councillors met with the Headteacher and a brilliant group of children at the school in July, who came up with interesting and thoughtful ideas.

- These included:
- Seating and picnic areas
- Earth ramp for scooters and bikes
- Small orchard - Pear, apple and plum
- Eatable forest raised beds for herbs and soft fruit
- Areas for dogs to run
- Wildflower areas
- Activity Trim trails

To drive this forward we need a working party made up of children and their parents with the support of one or two parish councillors and other interested parishioners.

If you are interested in shaping this interesting project please contact Christopher Cook, Clerk to the Parish of Landrake and St Erney email: clerk@landrakeparishcouncil.gov.uk

Car Fumes

Whilst sat in your car waiting for children to finish school, could we ask that you please turn your engine off to limit the amount of fumes sitting in the air over the playground and school field. Thank you.
