Mr O'Hara will be visiting soon to pop some marbles in your jar!

**Class News**

This week **EYFS** have jumped into more Phonics sounds and have been comparing amounts in our Maths learning, using different concrete objects.

We have enjoyed exploring belonging and identifying where we belong and groups and communities we belong to.

On Monday it was the turn of **Years 1 and 2** to visit Pentillie Castle for a tour of their grounds, with a chance to learn about what Ornithology is, to sketch the Castle and grounds and create some natural art.

The children were super ambassadors for SRG and had a wonderful time in the sunshine.

**Year 2** had a lovely workshop on Thursday morning from Kim with Safer Futures. We learned all about healthy relationships, gender stereotypes, healthy relationships and started to think about consent. Children left the session feeling confident on what a healthy relationship is.

**Friends and Farm News**

**Quiz Night** - we are so looking forward to our Quiz TONIGHT, with special guest Quiz Master Mr A!!

Can you wash someone's car for a small donation? Could you offer to do an extra chore at home in return for some pocket money that you would like to donate?

Return your boxes to your classroom by the 10<sup>th</sup> October.

The class with the most boxes returned will win an extra play time treat!

**Raisin packets** went home last week, to be filled with loose change and returned to class by 10<sup>th</sup> October. The class with the most boxes returned will earn an extra playtime treat!

## What Parents & Educators Need to Know about EA SPORTS FC 26

Our guide looks at the risks surrounding EA Sports FC 26 and our top tips to minimise them. This marks the third year since EA left the FIFA licence, and the game is mostly unchanged from last year. While Kick-Off mode is great for playing with friends and Career Mode allows players to fulfil long-term ambitions as a manager or player, Ultimate Team remains the main draw for many players – and it can get out of hand in terms of how much money players can invest.

**WHAT ARE THE RISKS?**

- AN ANNUAL RELEASE SCHEDULE**  
As with the case with the last two EA Sports FC games and the FIFA series before it, the franchise ends each year with updated squads and new features. This can make it expensive to keep up with, particularly when so many dedicated players are keen to get their hands on the latest release.
- VOICE CHAT**  
Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be useful for team play, it can also be used to harass or bully others. EA has implemented measures to help protect children, but parents should be aware of the risks and monitor their child's play.
- IN-GAME PURCHASES THROUGH ULTIMATE TEAM**  
Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and experience loss of money.
- SCAMMERS IN ULTIMATE TEAM**  
Ultimate Team is managed by EA heads, but that hasn't stopped scammers from looking to make money out of money and in-game coins. Some scammers sell their accounts, while others use bots to farm coins. EA has implemented measures to help protect children, but parents should be aware of the risks and monitor their child's play.
- POTENTIAL FOR ADDICTION**  
While EA Sports FC is potentially addictive, there is a risk of young people spending too much time playing the game, which could impact on their schoolwork and other activities. EA has implemented measures to help protect children, but parents should be aware of the risks and monitor their child's play.

### Advice for Parents & Educators

- PREPARE FOR ANOTHER GAME IN A YEAR**  
The annual-release schedule aligns with the return of the school year, and can be a great way to introduce new games to the school year. If children are playing themselves and preparing for a new year of school, or even competing in the summer EA Sports FC 26 could make a great reward.
- MONITOR VOICE CHAT**  
As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to help protect your child. If children want to chat with friends, consider setting up a safe space for them to talk, to allow them to play without fear of outsiders.
- BE VIGILANT**  
As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be alert with incoming messages, and block and report suspected spams. EA will contact players by email if needed, but they will never ask for sensitive information. Parents should also avoid buying in-game currency from unofficial websites – doing so can lead to accounts being banned and could see players' money in the process.
