Friday 13th February 2026

After School Clubs Info

All clubs will start straightaway after half-term.

During the week 2nd – 6th March the following clubs will not run:
Yoga | Musical Theatre | Eco | Field Gun

Half Term

Wishing you all a lovely break next week. We're back at school on Monday 23rd February.

World Book Day – Thursday 5th March

Children are able to come in dressed as their favourite book characters (there is no expectation to buy costumes – please be creative and upcycle). We will be doing activities in school to promote the love of reading.

Parents Evenings – Tuesday 3rd and Wednesday 4th March

As explained last week, an email will be sent out the week after half-term with how to book your appointments.

KS2 parents – please ensure you know who your child has maths lessons with before booking.

Year 1/2 Eden Project trip

To further deepen some of their curriculum knowledge from class, Years 1 and 2 will be going on an educational visit to Eden after half term. More info to follow after half-term.

Community Lunch

We had a lovely message from the Community Lunch organisers to say thank you for taking another top team to help serve lunch yesterday and how impressed they've been with the children. "SRG certainly continue to achieve better each day – and both our administration and customers enjoy their good work." Well done Year 6!

Friends and Farm News

We are super busy behind the scenes on the Farm, with the next phase of fencing replacement happening over half term. We really value all the support that families offer by giving their time to the holiday rota too -thank you!

The legendary Landrake run will soon be upon us - Friday 20th March - so if you think you would like to help with marshalling, serving refreshments or baking/buying some cakes, please make a note of the date in your diary as a plea for help will come after half term.

Class News

This week in Computing, **Year 1** became real-life programmers! They explored how a precise set of step-by-step instructions - known as an algorithm - can guide a 'robot' from one place to another. There was plenty of laughter as well as concentration as children took turns being both the robot and the operator, testing the accuracy of their instructions!

On Monday, **Year 2** ventured out in the rain with all of their gear to see what microhabitats and mini-beasts they could find around our school farm. They predicted that they'd see a lot of worms... and were right!

In **Year 3** children used the opportunity during their length and perimeter topic in maths to take their maths lesson outdoors, measure their no-dig bed and also measure a range of items on our allotment.

We hear they're having a great time away on their 'Winter one nighter' on Dartmoor. Thank you to staff and parents for your support.

Year 3/4 have finished their peg dolls in Art and DT. In maths, we have successfully completed our block on length and perimeter and in English we have written instructions.

Year 5 had the wonderful opportunity to visit Saltash Community College to watch their fantastic production of *The Little Mermaid*. Our pupils were brilliant ambassadors for the school throughout the visit. The show was a joy to watch, with impressive set designs, seamless scene changes, and a cast full of memorable characters. We were especially grateful for the chance to see children performing so confidently on stage. It was an inspiring experience for everyone.

An amazing opportunity for girls to fall in love with cricket!

FREE Girls Dynamos Softball Cricket sessions with Callington Cricket Club are the perfect introduction to cricket.

For girls aged 8 to 11, these sessions focus on fun skills, games and match style activities in a welcoming and supportive environment. No experience is needed, just enthusiasm and a willingness to have a go.
