Welcome to the SRG Christmas Fair 2025!

This year brings a fresh new look to our Christmas Fair, with exciting additions alongside many of your old favourites — and don't worry, Claire Brown will still be selling her famous brownies!

This brochure has been created to give you a heads-up on what to look forward to and what not to miss. The countdown is on!

Your child will have brought home a large envelope today. Inside is a small gift from the Friends & Farm Committees to say “thank you” for their ideas, support, and participation in our events throughout the year.

Additionally, as an extra-special thank you, we have arranged for a travelling theatre company to visit Landrake Village Hall on Wednesday, 3rd December, to perform a Christmas show for both KS1 and KS2. The performance features an eco-friendly theme, and the children will also be treated to a drink and a popcorn snack while they enjoy the show - we hope they enjoy it!

THE TOKEN SYSTEM

This year we are running our games and crafts with a token system.

Tokens are available to purchase on entry to the fair, at the main entrance.

THE CRAFT ROOM

In the Year 5 classroom, you'll find a whole room dedicated to craft-making and face painting. Activities in this space range from 0-2 tokens and include a very special guest—Julia from Freddie's Fibre Friends. For just one token, she'll be helping children create their own felt bauble, offering a small taste of the wonderful experiences she provides in her cosy home studio just outside Callington.

CHILDREN'S ENTERPRISE

The children of SRG have been busy making crafts to sell at the Christmas fair. Each class has been tasked at making something festive to sell with the profit going back into the Friends & Farm pot to fund more items to supplement the children's experiences in school.

YR - Pine cone bird feeders

Y1 - Robin Tea Lights

Y2 - Baubles

Y3 - Festive Coasters

Y4 - Handmade Gift Tags

Y5 - Terracotta Plant Pots

Y6 - Christmas Tree Woven Picture

The crafts made are all a class effort and so the items will not be named.

This is with the exception of Year 6 who have each made their own weaving.
