Scholastic Book Fair

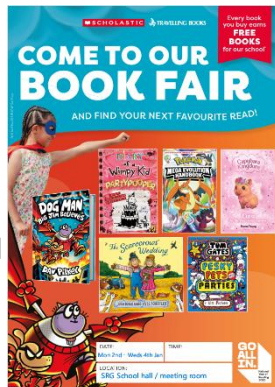

We are holding a Scholastic Book Fair for 3 days, starting Monday 2nd February in our school hall/meeting area.

Every purchase you make earns our school 'Rewards' to spend on free books, teacher resources and curriculum materials.

The fair will have over 200 of the newest and best books from over 60 publishers, including more than 30 exclusive titles that you won't see in shops or at any other Fairs. Prices start from only £2.99.

Age ranges 2+, 6+, 8+ and are all primary age suitable.

More details next week!

Thank you

A huge thank you to the Friends and Farm Committees for funding our new EYFS water play wall!

Beautifully made by Chris from Godbolt Woodwork, it's already being enjoyed by our youngest children and is a fantastic addition to our outdoor learning area.

This wouldn't have been possible without the support of parents at school events – thank you for helping us make such a positive difference for our children!

Enjoying Reading

The National Year of Reading 2026 is the biggest campaign in a generation designed to help more people (re)discover the joy of reading and make it part of their everyday lives. Please see this link to the [National Literacy Trust](https://www.national-literacy-trust.org/) for more information.

We promote progress and a love of reading in lots of ways at SRG, including teachers reading a 'class book' to their class and enjoying this story time together.

It was great to see Mr White recording his reading to his class earlier this week... so that they can watch and listen on the Google Classroom at home. What a lovely idea!

Cake Sale

Thank you to everyone who supplied cakes for our cake sale on Tuesday.

We raised £97.76 for Ikona Hillside School in Uganda!

Thank you!

Class News

This week in PSHE, **Year 1** have been exploring dreams and aspirations. The children have enjoyed talking about their hopes for the future and learning how to set simple personal goals. We've also been focusing on developing a growth mindset, helping the children understand that with effort, perseverance and small steps, they can work towards achieving their goals.

Year 4 have been creating characters for stories- which have been brought to life through AI! In maths, we have been looking at dividing and multiplying by the powers of ten and within history, we have been looking at the key dates of the Roman Empire.
