Next Week – Year 6 Charity Stalls

Next week on Tuesday 24th and Wednesday 25th March, Year 6 will be running some stalls in their classroom to raise money for their chosen charities.

This is part of their PSHE lessons, whereby they have identified a change they want to make in the world, a charity that they might help with this and then worked as a team to decide upon how they will raise money to generate change.

There are a variety of items to buy eg. cakes, jewellery, second hand toys and books; in addition to games to play - including throwing sponges at the Year 6 children in the stocks! All classes will be able to visit on these days during their morning breaks at an allotted time. If you would like your children to visit the stalls and help the children raise money for their chosen charities, then please send some money in on those days. Last year the children themselves raised over £600! Items and games will be 'pocket money' prices.

Thank you for your support, Mrs Cunningham and Year 6 .

Easter Church Service – Wednesday 1st April 9.30 - 11am

As in previous years, all classes will be preparing short worship sessions to re-tell the Easter story at St Martin's Church on Wednesday 1st April. If any parent/carers would like to join us in the limited seats available at the back, the church will be open from 9am.

Class News

Year 1 have been enjoying learning about the work of local artist Lucy Innes. As part of this, the children have been exploring watercolour paints, focusing on how they differ from other types of paint. They have been experimenting with a range of brush strokes and investigating different ways to make colours lighter and darker, developing their understanding of painting techniques.

Year 4 have been completing newspaper articles based on aliens and disappearing sheep. In science week, they designed their own adapted animals based on extreme weather conditions and in DT, lower key stage 2 have been constructing clay pots using a coil technique.

Prayer and Outdoor Worship Club

Thank you to all that attended this week in the sunshine!

We marvelled at creation with some definite 'wow' moments. We looked closely at our funky chickens and their different coloured eggs, spotted first signs of spring, noticed rooks building nests and enjoyed some guinea pig cuddles. What a wonderful farm and outdoor space we have!

Sports Update

Some of our KS2 children had the opportunity to participate in a multi skills day at Saltash Community College this week. They had to participate in a range of different activities throughout the afternoon. They gave their all and represented the school well.

Well done to the eight children who represented SRG in the Year 3/4 football tournament at Saltash Community College this week.

They all showed great teamwork and gave their best effort throughout. The team finished in an impressive 3rd place—an excellent achievement!

Easter Day Baptisms - St Stephen's

We are offering baptism within the 10am Easter Day service at St Stephen's. If you are thinking about baptism for yourself or your child, please email RevLauraBH@gmail.com.

You will then receive the forms to complete and return.

The 10am service will be an informal teaching Holy Communion, with our children helping to lead and parts of the service explained as we go.

For those who prefer a more traditional Easter Day service, these will be available at other churches within our benefice.
