

After School Clubs Info

- All clubs start back as usual on Monday 1st June.

Online Safety – Let's talk about our kids and their tech

An email was sent out to all parents in April about a free online session for parents hosted by a charity called Papaya.

The interactive talk will focus on parenting in the digital age and help parents find solutions that work for their family, in an age of increasing concerns about the potential impact that screen time, social media, gaming, amongst other things, has on children and young people's mental health, at primary age and as they proceed on to secondary school.

Farm to Fork Club Success

We're delighted that LEAF (Linking Environment and Farming) have recognised our new Farm to Fork afterschool club as a wonderful opportunity to teach other schools across the country about sustainability. Children have been learning how to make butter and simple flatbreads using locally sourced ingredients; planting, harvesting and tasting their own food; as well as the impact of food miles and seasonal eating. In the Autumn, LEAF will feature the club plan on Countryside Classroom and You Tube, in the hopes that it inspires other schools across the Country!

Relationship Sex Education

As part of our annual Health and Safety week, children across school will complete the RSE (Relationship Sex Education) programme of lessons with their own class teachers next week, beginning from Tuesday. An email was sent out earlier today.

Staffing Updates

We are pleased to share that following a strong field of candidates interested in joining the excellent SRG team and a thorough interview process, Mrs Rachael Lethbridge will be formally joining us as SENDCo from September. Rachael has done a fantastic job in supporting us over the recent period and has already established a good rapport with many pupils and parents alike. Also, we have a new apprentice TA, Alice Hignett, who started with us this half term and has already begun to support children in different classes and extra-curricular clubs. I know you will join us in welcoming both to the SRG community.

Half Term Rota

Thank you if you've put your name down to feed the animals over the Half Term holidays. As the weather forecast is looking so good, we'd be really grateful if you could water the plants/seedlings in the Polytunnel and the Allotment/No-Dig Bed areas too! There is fresh lettuce and herbs growing which the guinea pigs love - perhaps enough for a tasty lunch too!?

Sports Day & Landrake Run - Helpers wanted!

If you are available to man the refreshments stall for a short stint during either  or the , please do let us know.

Class News

Year 1 enjoyed learning a rap during English this week, helping them to remember finger spaces, capital letters and full stops!

Years 1 & 2 have had some special visitors this week to support learning across RE and history. On Monday we were very lucky to have Mrs Bell come and tell us all what it was like to grow up Jewish and all about her preparations for her Bat Mitzvah.

Then on Wednesday we enjoyed interviewing some residents from our village and asking them all about what it is like to live here and how Landrake has changed over time.

Our **KS2** children have enjoyed a varied morning of activities linked to their Staying Alive topic. They've done sports with Year 10 sports leaders from Saltash School, a music extravaganza with Year 10 musicians from Saltash School, dancing with Alex, amongst many other things.

Next term's KS2 topic is Sporting Heroes.

Sports Update

A massive well done to the 10 children from Years 1/2 who represented SRG in a local school football competition at St Stephens Primary School on Monday. The children showed fantastic teamwork, determination and sportsmanship throughout the afternoon.

We won 1 game and lost 2, meaning we finished 3rd overall in the tournament. Every child should be incredibly proud of their effort, enthusiasm and positive attitude. They represented the school brilliantly and were a credit to SRG throughout the competition.

Ten of our Year 5/6 children had the opportunity to represent SRG at Home Park in a football tournament against 20 other teams on Wednesday. Everyone showed great determination and resilience in all of our games, especially in the second half of the day when we found our form.

Well done, everyone!

Church News

Confirmation children in the current Years 5 & 6 - and adults!

Some of our young people may be reaching the stage in their journey of faith where they'd like to explore Confirmation. In the Church of England tradition, Confirmation is a special service where you make your own baptism promises and receive prayer, blessing, and anointing from the bishop — a meaningful moment of commitment and encouragement in your walk with God. Anyone wishing to be confirmed needs to have been baptised, and we can arrange baptism if this hasn't yet happened. Young people from Year 6 upwards are welcome to take part, this invitation to Confirmation is open to all adults too. If you or your child are interested, please speak to Revd Laura RevLauraBH@gmail.com. We hope to hold our next Confirmation Service this autumn.
