Our School and Community Farm

We are really struggling over weekends and school holidays to have the school farm rota covered.

The fate and welfare of the farm animals does rely on families coming along for an hour during the morning out of term time to feed and water the animals and make sure hutches are clean.

We send instructions out via email on the Thursday before the weekends or school holidays (instructions can also be found on the board in the shed) and ask that you 'check in' online and write in the diary to confirm what you've done that morning.

Please consider booking yourselves in to visit Polly, the guinea pigs, the hens and the sheep and keep our farm going.

Online Safety – Let's talk about our kids and their tech

An email was sent out to all parents in April about a free online session for parents hosted by a charity called Papaya.

The interactive talk will focus on parenting in the digital age and help parents find solutions that work for their family, in an age of increasing concerns about the potential impact that screen time, social media, gaming, amongst other things, has on children and young people's mental health, at primary age and as they proceed on to secondary school.

Teacher Placements for 2026-27

After taking into account a lot of different factors and information into deciding the best placements for teachers in classes next year, the following will be the arrangement for the next academic year:

YR - Mrs Kim Hawkings and Mrs Charlotte Clark

Y1 - Mr Jack Mugford

Y2 - Mrs Chloe Mullen

Y3 - Mr Ben Yeoman

Y4 - Miss Charlotte Rose

Y5 - Mr Lee White

Y6 - Mrs Becky Cunningham

Teachers will have informed the children at the very end of today. 'Moving up' morning is Monday 6th July and is part of our way of supporting children's transition to their next class giving them time with their 'new' teacher.

Next Week:

Friday 5th June

- INSET DAY

Monday 8th

- INSET DAY
- Papaya - Interactive talk

Tuesday 9th

Class Attendance

The class with the best attendance for the week of 18th – 22nd May is **Reception**.

Mr O'Hara will be visiting soon to pop some marbles in your jar!

Half Term and INSET days

Thank you for helping the children to be ready for such a happy first week back at school after such a lovely half term.

We hope families were able to enjoy the sun and that this long weekend, with Friday and Monday being Inset days with no school for children, brings an improvement in weather and maybe a chance to enjoy the Cornwall Show - we know this is very important to many of our farming families.

Cake Sale

Thank you to everyone who supplied and bought cakes – we raised £74.33 for Hillside Ikona School, Uganda.

Sports Day – Wednesday 17th June

We will be kicking things off at 1.30pm this year with the traditional flat races. These will be followed by each year group's novelty and skipping races. Events will conclude with the KS2 relays and tug of war competitions.

This year we are asking the children to come into school in their PE kit with a t-shirt the same colour as their team. For reference; **Hawes** are yellow (so their normal PE top should be fine), **Brewer** are blue, **Kinvig** are red and **Tamblyn** are green. Please don't buy anything especially but if the children could wear their team colours we feel it would add to the occasion.

You are welcome to arrive from 1.00pm and the school playground will be available as a car park. The Friends will be providing refreshments during the afternoon.

At the culmination of Sports Day, the children will return to their classes where you will be able to sign them out should we finish before 3:30pm.

The children will be competing in a number sporting challenges designed by our brilliant Year 6 class in the morning, so the children will have a very active day.

Please ensure your child has sun screen applied before the start of the school day and they bring a big drinks bottle which we will fill up during the day if required.

Linking Environments and Farming (LEAF)

We continue to work with LEAF and are applying for being a Silver Demonstration School in recognition of all the SRG farm, no dig beds and allotment learning that we do with children here.

If anyone from SRG is at the Royal Cornwall Show this year, you can find LEAF (Lisa has been in to SRG to help out) on stand 452 within the Farm and Country zone. She said that a visit from SRG parents and children last year was a real highlight for her! Here's to supporting our local farming communities - thank you.

Class News

This week, Years 1 and 2 enjoyed a wonderful visit to Pentillie, where they took part in a creative art workshop and made their own story sticks. The children fully embraced the experience, showing great enthusiasm and imagination throughout the day. Huge thanks to the Megilley family for having us!

Church News

First Sunday at St Stephen's – Sunday 7th June at 10am

We'd love to welcome families to our next First Sunday service. Children are an important part of our team, helping with readings, actions, welcoming others and taking part in different parts of the service.

If your child enjoys joining in or would like to try something new, we're always happy to help them get involved. It's a friendly, supportive environment where everyone can have a go and grow in confidence.

All ages and all families welcome. Come as you are.

Services at 9.30am St Michael's, Landrake and at 10.15am St Erney (Book of Common Prayer, 1662AD) as normal.
