Landrake Run

All the children - runners and spectators - are looking forward to this afternoon's legendary annual Landrake Run. We'll try to post some photos and results on our school social media pages and website. Thank you as ever to Helen Ralph from the village who puts so much time and effort into organising this wonderful event and to the Friends of SRG for providing refreshments.

Thank you also to Richard Rowe and other farmers who have gone the extra mile, cutting clear routes for the children to run. ★
Good luck everyone!

Visit from Bishop David of Cornwall

We were delighted to welcome our very special guest, Bishop David from the Truro Diocese, on Tuesday afternoon.

The visit began with a powerful presentation from Amelia, Imogen and Sam, our student Eco Representatives, who confidently shared their 'Manifesto for Change.' Demonstrating a wonderful passion for environmental issues, the representatives challenged Bishop David to consider how he and the wider diocese could support improvements in three key areas within our community: trees and biodiversity, waste management, and sustainable transport. Bishop David listened intently to their ideas and commended the children for their forward-thinking approach to caring for our environment. Thank you to Mrs Cunningham, whose dedicated running of the Eco Club and brilliant guidance prepared the children so well for this fantastic presentation.

Our Head girl/boy team then proved to be excellent ambassadors for SRG, leading Bishop David on a comprehensive tour of our classrooms and outdoor learning spaces.

We would like to extend our warmest thanks to Bishop David for his time, his encouragement, and for listening so thoughtfully to our students' visions for a greener, brighter future.

Careers & Aspirations Day – Tuesday 30th June

We are excited to be holding our Careers & Aspirations Day on Tuesday 30th June. Children will have the opportunity to meet and learn from a range of visitors, with the chance to ask questions about their job roles.

To help inspire future ambitions, children are invited to come to school dressed as their future career or dream job. We look forward to seeing the wonderful range of aspirations across the school!

Class News

Year 1 enjoyed taking part in a Truro Diocese sunflower growing competition this week. Thanks to the Eco club children for creating 'pots' from newspaper, which they filled with compost before carefully adding a sunflower seed. The children will water and monitor the seedlings over the coming weeks - whose will grow the tallest!?! 🌻

Year 5 enjoyed a fascinating visit to Treveddoe Farm earlier this week, where they learned about regenerative farming and sustainable food production. Ben and Claudia guided the children on a wildflower meadow walk, using quadrats to identify different plant species and explore the importance of biodiversity.

The pupils also discovered how mob grazing can improve soil health, tasted a variety of delicious honeys using all of their senses, and carried out soil compaction tests in the field to investigate the importance of healthy soil. It was a memorable day of hands-on learning, and we are very grateful to Ben and Claudia for sharing their knowledge and enthusiasm with us.

Congratulations

Hot on the heels of the Summer Concert, five SRG pupils took piano exams last Thursday 11th June. Results are in and they all passed with flying colours! Huge congratulations to Imogen P (Initial Grade), Abigail F (Initial Grade), Bethy Y (Grade 1), Phoenix E (Grade 1) and Leo C (Grade 2). Mrs Suckling is super proud of you all. Well done!

Walking Bus

Well done and thank you to everyone that joined us on the 'walking bus' on Thursday, and congratulations to our lucky Golden Padlock winner!

It was lovely to see so many children walking, scooting and riding to school! We even spotted a tall green salamander in a tuft on our way!
