Summer Fair

The Friends Summer Fair is on next Friday - please come along. It opens at 2.30pm, children will come out at 3pm for some maypole dancing. Children will be dismissed at 3.30pm as usual from their normal doors.

Careers & Aspirations Day – Tuesday 30th June

We are excited to be holding our Careers and Aspirations Day on Tuesday 30th June. Children will have the opportunity to meet and learn from a range of visitors, with the chance to ask questions about their job roles.

To help inspire future ambitions, children are invited to come to school dressed as their future career or dream job. We look forward to seeing the wonderful range of aspirations across the school!

Listening to your views

Each year at SRG, we ask parents and carers for their views on various aspects of school life. This, along with monitoring and evaluation, staff surveys, pupil surveys, discussions with governors and feedback from pupils in our Pupil Committees (School Council, Arts, Eco, Worship, Sports, Learning Forums) all feeds into our School Development Plan for the next academic year. We shared the annual survey link with you via email on Wednesday and also invite you along to a staff, pupil and parent's session in the school hall 3:30pm - 4:15pm on Wednesday 1st July where you can drop in and note any thoughts and opinions onto big pieces of paper.

Playhouse Production – Props needed!

Year 4 are fortunate to be participating in this year's Playhouse production at the Theatre Royal on Tuesday 7th July. They require some niche props in order for the children to bring the script to life. If anyone has any of the following that we can borrow, use for the week, we would be very grateful:

- Handcuffs x 6
- Wolf skin quilt
- Little red riding hood outfit
- Harry potter capes/black capes for barristers x7
- Gavel
- White wigs x 2 (barrister style)
- Peter Pan outfit

Landrake Run is a great success in its 41st year

On Friday 19th June SRG held its famous annual 3-mile cross country run which goes across a variety of fields, through woods and down the famous slope which leads to a marsh by the River Lynher. This run was due to be held in March, but due to the months of rain the decision was made to postpone the run. Thankfully we did not have the hot weather which we have seen this week, but instead the weather was perfect for running. 448 children took part in the run from 39 different primary schools in the area.

Congratulations to the 74 Landrake Runners who completed the run and there were some fantastic results. Their results were 

The run was a huge event to organise and without the help of many people the event would not have been such a success – my personal thanks to:

- The 50 marshals who made sure that the children got round the course safely
- Parking marshals who managed the huge amount of cars
- Friends of the school for selling refreshments to spectators and providing drinks to all the runners
- Parents that kindly donated biscuits/cakes to sell
- Phil Congdon for allowing cars to be parked on his land on West Lane
- St Johns Ambulance
- Two back runners – Ian Ross and Barry Olver from the Tamar Trotters Running Club
- The local farmers who allow the run to go across their land – Stuart and Penny Maddever, Richard Rowe, Catherine and Michael Willcocks and Scott Delbridge. A big thank you to the farmers who cut fields and made tracks to create paths in the long grass.
- Adults who helped at the finish line with for handing out individual ticket results to the 448 runners
- Mrs Suckling and Diana Nicholson for recording the finishers
- Registration team – Linda Pollard, Helen Roper and Fiona Peck from the Tamar Trotters
- Peter Ralph for printing certificates, numbers and info sheets
- Tamar Trotters for the loan of their running equipment
- Ed O'Hara – Headteacher and the other members of staff who offered their support on the day
- Two front runners – Doug Stacey and Matt Davies from East Cornwall Harriers
- Thanks to anyone who else who I have forgotten who helped on the day.

Class News

Year 2 enjoyed a rotation of activities, included fine motor cutting practice, multilink cubes and threading, tracing and board games for teamwork.

Year 4 were making use of the Year 6 classroom to make sculptures from foil and four more salamander heroes!

Year 5 enjoyed a visit to Pentillie Estate on Tuesday, taking part in sketching; historical artefact and nature art activities.

This week, our brilliant teaching and support staff have made a switch to cooler, alternative learning opportunities to beat the heat - including fine motor skill practice with water and cubes; creative tin foil sculpting and food scientist tasks in the air-conditioned classrooms; indoor board games and puzzles for break time; refreshing 'cool feet' water play; stationary 'hot potato' games; shady nature art in the trees at Forest School and quiet reading sessions in the shaded outdoor areas.

Well done team SRG for taking such great care of the children - and yourselves - during this unusual weather.

Year 6 have been fantastic ambassadors for the School during this week. In London they have enjoyed visiting the Warner Brothers Harry Potter Studios, some of London's most famous museums, a full day of varied water sports (helping them stay cool), the London Eye, Thames cruise and a fantastic visit to Ironmongers Hall. Throughout the trip, they have shown great resilience, responsibility, independence, and teamwork.

Mrs Cunningham, Mr O'Hara, Cat and Mrs Pierce-Jones are incredibly proud of them all. Thank you to the Year 6 parents for all of their support.

Summer Reading Challenge

If your children would like to take part in this year's Summer Reading Challenge, they will need to be a member of the library.

We have some membership forms in the school office if you would like to pick one up. (It will need to be completed and handed in at your local library). Please see the poster for more information
